Vice Commodore's Report

Home Stretch, Where did that night go??

Wow, just like a Wedding. All that preparation and its over as soon as you kiss the fat lady. (She's singing somewhere trust me). My hats off for the members that have put this show on before. You really don't appreciate what it takes until you do it. All the tradition and protocol is pretty cool. I can't say thanks enough to all that helped, supported and participated. It is truly rewarding seeing all our club members dressed up, looking good, having fun. Thank you, Thank you, Thank you!!

The new year is gong to be here and gone just as fast as the ball was. One last celebration and were down to planning for some serious fun next year. You know how I like to mix things up and our Fleet Captain Jimmy is just the guy for it. We are committed to have fun, mixing it up and with any luck, a drama free year.

As always, any help, thoughts, ideas, requests are appreciated. The crazier the better. Hope to see everyone at the Christmas Party on Saturday, Island Cove.

Vice Commodore, Johnny O
