Commodore's Report

Well the boating season has officially begun. The Memorial Day outing at Algonac Harbor Club was a big success. John and Donna feed the group Friday night, set up the ice cream social for the past commodores to host on Saturday afternoon, provided entertainment, games and events throughout the day on Saturday and a dinner at the restaurant Saturday evening. Sunday was the same beginning with breakfast, more games and events, a sip and dip under the tents and my favorite...hot dogs under the stars! Monday began with a pot luck breakfast that everyone contributed towards. All in all, it was a great outing. I also need to mention Terry and Debbie Smith helped a lot. I saw Terry taking many pictures that I suspect will be on a couple of monitors at some hall in February next year. John commented to me the event was not that much work on him once he and Donna arrived because everyone in the club jumped in to help without John needing to ask. I took pride in seeing everyone at the outing interacting playing games, talking, swimming and of course drinking together for the entire weekend. Great camaraderie which is what our club is all about.

Well I still have some waxing and cleaning to do, so I will close for now and plan to see you at the outings and events this summer.

Vice Commodore's Report

Rear Commodore's Report

I can't believe just how fast the month of May flew by. It's nice to know that most of our members have their boats in the water, and ready for another season. I would like to thank John & Donna O'Leary and Terry & Debbie Smith for a job well done in planning our Memorial weekend at Algonac Harbor Club

I know that we have a couple of weeks off before the next outing, but don't forget June 5, 6, and 7th is the Spring ABYA dinner at Idle Hour Yacht Club. I am looking forward to seeing those of you who will be attending this event. I would personally like to thank our Sand Pointe members who be attending and supporting this even; once again our club has come through with a good turn out representing our club. Don't forget the ABYA Rubber Band Boat races at MacRay's on Sunday, June 14th. Sand Pointe won this competition last year and for this reason they are required to assist in putting this event together. We need your help. 7:30 AM is the start time for set up – there is no charge and all are welcome. The races will take place at the pool. Brunch from MacRay's will be offered at a discounted rate at 11:00. Come and join the fun and root for the two SPYC entries! Hope to see you there.

Fleet Captain's Report

It was a real Dumb & Dumber outing.

Not mentioning any names but we all had our moment in more ways than one. One 4 day weekend down 2 more to go! I received a lot of positive feed back on the first outing. I got a lot of help from everyone. The weather was dry but cold at times. Great to have one in "the Tank" without any major problems.

Next event is munchies Friday night June 12. We will spend the night on the hook and return to Mac Ray or Belle Maer late Saturday afternoon. I will put an agenda later this week. I will be asking for everyone to bring a side to complement lunch on Saturday. Mac Rays will have a BBQ that can be delivered to us on Saturday night for anyone that wants to.

Thanks again to all that helped especially Terry, Jim & Len.

Your, Fleet Captain.
Johnny O

Sunshine Report

Debi Albrecht- Debi had a five hour surgery done at William Beaumont Hospital for her endometriosis on Tuesday May 19th. She is currently home, recovering and doing well.

Bob Peltier- Bob had passed on Friday May 22, 2009. The viewing and the service was held @ Kaul's Funeral Home in St. Clair Shores from 2:00-9:00p.m. on Tuesday May 26th....May he rest in peace.....

For anyone who missed the outing at Algonac Harbor Club for Memorial weekend, missed a great time. Don't miss to many more John and Donna have a lot in store for us.. Great Job to the both of you.(Debbie and Terri Smith too) keep up the good work....
