Commodore's Report

Well it's hard to believe it's time for Thanksgiving already and Christmas is right around the corner. As this is my last article after five years I want everyone to know how thankful I am that you all gave me the opportunity to serve the club. I would also like to give a special Thank You to our current Bridge members Len, John, Terry, Gary, Corinne and Shilo. You've all made my job easier as Commodore. A lot of hard work up front but in the end the outings have always been a great time for friends and family to get together and have a great time.

November 2010

At our last general member meeting, November 7th, a motion was made to amend our current bylaws. This amendment is a process to reinstate former SPYC members who have dropped out of the club for various reasons. This will allow us to control bringing past members back into the club and will be voted on at our January meeting.

AMENDMENT

In the event that a member leaves the club in good standing and chooses to reinstate his/her membership, he/she will state their intentions to the Board. At the next regularly scheduled meeting, the membership will vote for reinstatement with a show of hands. Payment of dues will follow the rules for new members.

“Good Standing” examples would be never reprimanded, never terminated, dues paid.

Don't forget voting for our new Board and Bridge positions is at our next meeting.

Nominees for our Board position are as follows:

1. David Withers
2. Mike May
3. Carole Martin

Nominees for our Bridge positions are as follows:

1. Fran Stocks – Secretary
2. Maryann Rodak – Treasurer
3. **TBD** – Assistant Fleet Captain

I hope everyone has a wonderful Thanksgiving holiday with friends and family. The Fox household is definitely looking forward to the Christmas season. As we bring in the Christmas season, don't forget the SPYC Christmas party is at Mac Ray's in their Members Room on December 11th. Cost to our club members is \$10/person and \$15/person for guests.

Rear Commodore Report

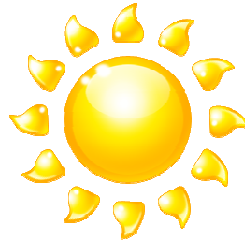

Sorry I missed everyone at the October meeting. Once we got the boat put away for the winter I had to do a short stint at Betty Ford Clinic and I just got released. For anyone interested they were willing to offer our club a group rate. It was very comforting seeing so many current & former members' pictures on the walls. I can't understand how Tony & Gary got their picture between Bill Clinton & Dudley Moore??

Seriously, I got mixed up on which weekend it was and had to see my son off to start a new job in California. A very proud, emotional, sad day. One down one to go (not soon I hope). I would like to wish everyone a happy Thanksgiving and thanks for another great year of good times. I hope all are planning to attend the Christmas party at Mac Rays. I unfortunately again will not be able to make it as my Daughter is graduating from Oakland U that day. Always something.

Please keep me informed of any changes to emails or item for sale.
