Rear Exposure

Ok, we weren't ready for the 20° change in weather for Labor Day. Yet the troops carried on and made the best of it at Bouvier Bridge. We were able to fit in a little bon fire, dinghy run and the spread at the Sip & Trip Dip met our usual high standards of excellence. We even had a special appearance from Bob Eubanks.

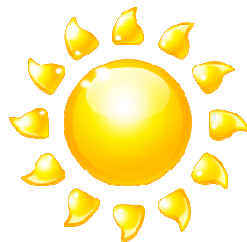

We have had a phenomenal summer up to this point so no reason to complain. Things are winding down but we still have a few outings left this year so don't put your leggings on just yet. Dare we say it will be just about a month then all the White Elephants migrate to the parking lots!!

Activity should be starting to pick up on our Commodores Ball. Get ready to help Len make this another successful event.
