Commodore's Report

Happy New Year.

Just a reminder the SPYC meeting is set for Sunday the 9th at **3:00 pm** at Mariners not 2:00 pm due to the Past Commodore's Brunch at Mac Ray's. For those of you who have donated a bottle of cheer towards the Commodore's Ball - I thank you. For those of you who have not yet donated a bottle, if you could find it possible to donate a bottle it would be most appreciated.

Commodore's Report (continued)

Please bring them to this Sunday's meeting. Corinne has expressed to me that so far we do not have many bottles to make up the basket. Thanks for your on-going support.

Vice Commodore's Report

Happy New Boating Season.

The eternal optimist proclaims that there are 98 days till launch!! The pessimist knows that there are 84 days until he cuts another extension cord via the polisher, inhales Two pounds of wax & bottom paint dust, Two stitches in 3 knuckles re-commissioning the engines (write the check already), has to make 15 trips to West Marine for the same 3 items he knows he has somewhere (wife lost it), falls off the ladder, starts weekly visits to the chiropractor....

I think we will go with option #1. Optimistic that we will have another year of great boating experiences and fun with our club. I trust everyone will again step up and help out our new Fleet Captain Mr. James Limbright III & his capable assistant Jim (flippy floppy I'm on a boat) Markwood.

Vice Commodore, Johnny O

Rear Commodore's Report

It's January. It's cold. It's snowy. It's seems like its dark more than it's light. Man, just writing about Winter make me want to go to bed and not wake up until John launches his boat. John, wax mine while you are at it. Hope everyone had a great Holiday and hope to see everyone this Sunday, Chrysler permitting.

Fleet Captains Report

Club members, Captains and First Mates...we are looking forward to seeing you on Sunday, January 9th at 3:00 p.m. at Mariners for the meeting. I will be presenting this year's Float Plan. It is still a little tenuous because of incomplete confirmations, but it will give you a good look at what is planned and an opportunity to start signing up for the coming activities.

See ya' there! Jim Limbright
