Commodore's Comments

WOW!!! The holidays are just around the corner. It seems hard to believe that we were boating just a few weeks ago.

Our last meeting and party for the summer was held at Larry and Barb's house. Many thanks to them for all their hospitality. The party was a huge success and even the weather cooperated. It is really sad to see summer come to an end.

Our next meeting is Nov. 10th at the VFW Hall. We will be making our nominations for Officers at this meeting. We do have a couple of positions to fill. Please try and attend, and even better, throw your hat into the ring for one of the open positions.

Looking forward to seeing everyone, and lets hope the winter goes by quickly, so we can get back to some great boating.

If I do not see you at the November meeting, a happy Thanksgiving to you and your family.

Enjoy

Your Commodore,
Tony Fralowicz

RAMBLINGS FROM THE REAR

The boat is in winter storage and the count down begins; 161 days until launch date but who's keeping track? I will not be at the meeting this Saturday; work duty calls me to Dallas Texas. Jackie is joining me for the trip and we return Saturday late afternoon. So I will see everyone again in December at the Christmas party. Have a great Thanksgiving everyone.

Your Rear Commodore,
Gary

Voice of the Vice

Hello,

Hope everyone is doing good ! I'm glad to be back on line, not having a computer was a pain. Larry should have raffle tickets to hand out at the meeting. I know how we all just love to sell them. Anyway please do your best because the money is greatly needed for the Commodore's Ball. Also bring your bottle of cheer for our gift baskets. I will have a sign up sheet at the meeting, for anyone that wants to help with the fine touches of the ball. I will have a get together at my house (bachelor pad) with the participants. I still have not winterized the boat yet, got to get it done this weekend. Also looking forward to the ABYA ball coming up in December.

Fleet Captain's Report

Fleet Captain Report

As I walk through all the stores and see all the Christmas stuff out, it must be the start of the holiday season. Well, Merry Christmas?

I want to thank Larry and Barb Alliota for hosting our October Meeting.

Saturday, November 10th at 2pm is the next meeting at the VFW in New Baltimore. We have to fill a couple of positions at this meeting. Cheryl and Linda will be stepping down as Treasurer and Secretary. We will need to nominate people to fill these positions.

Saturday, December 8th at Harbor Club North, will be the Meeting and Christmas party. The cost will be \$10 per person for members and \$15 per person for non-members. We will start with our December meeting, which will not cost to attend, and then we will have a catered dinner, DJ/Karaoke, visit by Santa Claus and some good times! Oh, and don't forget the hot dogs at midnight.

Now is the time to get any and all membership applications filled out and turned in. Gary K. must have a completed application form before we can vote any new members in. There will only be a few meetings where we can get this done, so don't wait. Our current membership is around 85 people, so we do have room for new members.

I am still looking for pictures from the summer outings, if you have any, please get them to me. I would really like to update all of the boat pictures on the SPYC board. If everyone can get a new picture of your boat to me, this year's board will be awesome.

Thanks,
Brian Fox
