

# SOUNDER OCTOBER 2007

## Commodore's Comments

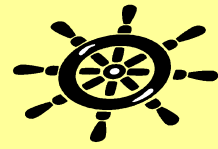

What a great summer and boating season we have had. How did it disappear so quickly? Our last official boat outing is now complete, and it turned out mighty fine, as usual. Brian, our Fleet Captain, and his lady, Kim, really outdid themselves this year by putting together some very good times for us all. Let's also remember all of Brian's helpers who gave a lot of their time. His main helper was Len Bruley, the assistant Fleet Captain, but there were many of you who also put a lot of time in. Thank you very much for all your help. It made all of our outings most enjoyable.

Just because boating season is coming to an end, doesn't mean that the fun has stopped for us as members of SPYC. Our next function is always a great time. This year, Barb and Larry Aliotta are hosting the October meeting at their home. Don't miss this one, it is sure to be a good time. After the November meeting, and election of officers, we have our annual Christmas party. I know that Brian has something special planned for that. It sure was a blast last year!

That's all I have for now, hope to see all of you at our upcoming functions. When you see our summer outing helpers, don't forget to thank them for doing such a great job. And never forget, it's your club. You will get out of it what you put in. Enjoy

# RAMBLINGS FROM THE REAR

The boating season is over; bummers. Brian and Kim did a great job at every outing. Please thank them both the next time you see them. It is a lot of work to provide us with the great times we had. They deserve a big round of THANKS!!! See you and Larry and Barb's this Saturday!!!

# Voice of the Vice

Hello everyone

It has been a while since I've written an article; I hope you all had a great summer. We sure had great weather for boating. Too bad we have to start thinking about winterizing, changing the oil, shrink wrapping and all that fun stuff. First of all I want to thank Brian for a wonderful job as Fleet Captain. Also, thank you to everyone that helped Brian out during the summer. Every Outing I went to was a great time. Len you have a lot of work cut out for you good luck with next years Float Plan. We had another awesome year of boating. I hate to see it end.

We have some positions to fill in the club so if anyone is interested in being nominated let me or Tony know. Also next meeting is at Larry and Barb Aliotta's house October 6th. See you there

Your Vice Commodore,  
Jeff Deffen

# Fleet Captain's Report

## **Fleet Captain Report**

**As fall starts and the summer outings are over all I can say is “thank god”! No, really it has been fun planning all of the outings for the club and I really hope all of you had just as much fun as my family and I have had.**

**With the upcoming meetings and parties, I will be sending out emails to keep you updated and informed with dates and times. Just a couple of notes for now, the October meeting at Larry Alliota’s will be at 2pm Saturday Oct. 6th. For the upcoming Bridge elections, now is the time for you to think about volunteering for the fleet captain and assistant fleet captain positions. Please don’t assume someone else has it handled, we need everyone’s help and participation to make this club the best it can be. If you would like to be Fleet Captain, please speak up at the next meeting and don’t forget you won’t be alone, everyone else is here to help!**

**Now is the time to get any and all membership applications filled out and turned in. Gary K. must have a completed application form before we can vote any new members in. There will only be a few meetings where we can get this done, so don’t wait. Our current membership is around 85 people, so we do have room for new members.**

**I am still looking for pictures from the outings this summer, if you have any please get them to me. I would really like to update all of the boat pictures on the SPYC board. If everyone can get a new picture of your boat to me, this year’s board will be awesome.**

**Some changes to keep in mind:**

**October 27, 2007 Saturday Halloween Party at Sugar Bush Traven 7pm till?**

**November 10, 2007 Saturday 2:00pm Meeting at VFW.**

**December 8, 2007 Christmas Party and Meeting at Harbor Club North.**

**Thanks,  
Brian Fox  
Fleet Captain 2007**
